

Lewis Ginter Botanical Gardens

Year-round beauty on a historic property with more than 40 acres of spectacular gardens, dining and shopping. A classical domed Conservatory is the only one of its kind in the mid-Atlantic and holds more than 200 orchids. A Children's Garden offers a wheel-chair accessible Tree House (fun for kids and adults!), an Adventure Pathway, Sand and Water Play areas and an International Village. More than a dozen themed gardens include a Healing Garden, Sunken Garden, Asian Valley and Victorian Garden. Dining options include the Garden Cafe and Tea House, and the Garden Shop offers an extensive collection of items. A must-see destination, the Garden right off Interstates 95 and 64 and one of the most-visited attractions in Richmond. The Garden has some evening hours and many special events; learn more and see what's in bloom at www.lewisginter.org.
